

MODUL ALUMINIUM WITH 1 HANDRAIL

TAILOR-MADE COMFORT

This stepladder with aluminium handrail is available with 3 to 5 steps to reach working heights of up to 3 metres. Its non-slip ribbed steps measuring 560 x 200 mm and its 560 x 400 mm platform make it one of the most comfortable stepladders on the market. Available with optional wheels.

3-step model with 1 handrail

3-step model with 1 handrail

4-step model with 1 handrail

5-step model with 1 handrail

- ▶ A complete range: 5 access heights with ribbed aluminium steps
- ▶ Steps are interchangeable.
- ▶ This stepladder is an access product and not a workstation.
- ▶ Backup stepladders very often used in industry.
- ▶ Platform 560 x 400 mm and steps 200 mm wide offering high comfort.
- ▶ Handrails as standard or on option can be used to increase the antifall safety.
