

The diagram shows a 3-story building with a staircase on the left. Red triangles mark the top of each floor and the roof. To the right of the building, the height from the ground to the top of the roof is labeled '5,35m'. The height from the ground to the top of the second floor is labeled '3,35m'. The staircase is shown with a series of steps, and the total height of the building is indicated by a red triangle at the top.

The diagram shows a vertical stack of four packs. The top pack is labeled '7.10m' and the bottom pack is labeled '5.10m'. The packs are connected by orange plus signs. The packs are labeled 'PACK 4', 'PACK 3', 'PACK 2', and 'PACK 1' from top to bottom.
