

PLATINIUM 3-SECTION PUSH-UP

THE LADDER FOR HIGH LEVEL WORK

The Platinum 300 Push-Up aluminium ladder has 3 sections. Its stabiliser bar with reinforced footpads, its safety locking and its extra-wide side rails provide safety and strength. These ladders are provided with deployment wheels on the upper level. The ladder's sections are inseparable.

Class	Professional
Use frequency	Ultra intensive
Use	Flat surface
Material	Aluminium
Maximum load (kg)	150
Guarantee (year)	5
Standard	EN 131
Decree	96-333
Recyclable up to [%]	92

Wide base for increased stability

Sliding section locking hooks

Extension wheels Ø 125mm

Model shown: 02423108

- Lightweight and easy to install
- Reinforced profiles with 30 x 30 mm rungs
- Locking of the sliding section to ensure safety in the access position
- These models are very easy to install and can be used to reach medium heights very quickly
- Very simple to erect for reaching medium levels without losing any time
- These models are often used with hooks on the upper section (Hooks : 09006001 or 09006002)
